

Visitation Restriction all residents/tenants

In person visitation time is 9am- 9pm daily, must enter through door 1 only

Visitor will put on a clean cloth mask on entry to Missouri Slope

Cloth mask must be worn at all times throughout the visit and returned to soiled bin on exit

Resident also encouraged to wear cloth mask during visit

1 Visitor will be allowed in the building at a time for each resident/tenant

Make sure security is updated when you leave so the resident may have another visitor

Visitors will not be allowed to wait in the lobby if they have someone already visiting

All visitors must be 16 years of age or older

Screening at the door for all visitors prior to entry: May not visit if travelled internationally in the last 14 days, temperature of 100.4 or higher, new cough, shortness of breath, sore throat, GI symptoms, direct contact with a COVID + person in the last 14 days, visited or work at a facility currently experiencing COVID + residents.

Visiting will not be allowed in common areas, only in resident/tenant room or apartment

Visitors may not eat with the resident or take the cloth mask off in the building

Sign in sheet with visitor information on resident door is required with all visits

End of life

2 visitors may enter the building to visit at one time any time of the day 24 hours

Follow same policy or all visitation and age restrictions

Outdoor visits

Need an appointment, call front desk to make appointment 701-223-9407

No limits on amount of people coming to outdoor visits together

Appointments need to be 24 hours in advance Time to visit is 2pm-4pm 7 days a week

Any age can visit outside Do not need to be screened

Assisted Living

May enter at door 14; 9am-4:30pm Monday through Friday. After 4:30 and weekends visitors must screen at door 1

Buzz at the door on entry and again on exit so security is aware the tenant may have a new visitor.
