MISSOURI SLOPE

TAILORED CARE. INSPIRED LIVING.

Volunteer Opportunities

BY LOVE,
SERVE
ONE
ANOTHER

Galations 5:13

Live. Work. Serve.

Did you know that volunteering is beneficial to our emotional and physical well-being?

Approximately one-quarter of American adults (more than 60 million people) volunteer their time, talents, and energy for charities each year. Giving is good for you. It improves your health, elevates your mood, and helps you live longer. Won't you consider giving your time and talents to volunteering at Missouri Slope?

Missouri Slope has opened a new state of the art skilled nursing facility in Bismarck. Our residents are enjoying their new surroundings and would love to share them with you. And, we would love for you to share your skills and talents with us!

Activities

Do you enjoy being social and/or creative? How about helping with games, such as Bingo? Would you rather give your time painting nails, fixing hair, reading, or providing a companion to a lonely resident? Whatever your talent, we will make the time and connect you to the right resident(s).

Grounds Crew

Do you love being outdoors and playing in dirt? We are looking for people to help with landscaping. That may include donating and planting flowers, shrubs, or trees, and helping manicure the grounds and gardens.

Transport

We are always looking for volunteers to help transport residents to and from chapel services on Sunday. Stay and enjoy coffee or tea with a resident.

Pet Therapy

Are you the owner of a well-mannered four legged friend that enjoys people? Your pet must be up to date on all vaccinations, and properly trained to visit our residents. We love our pets and welcome our furry friends to Missouri Slope.

Volunteer requirements

1. COVID-19 vaccinations and seasonal flu vaccinations.
2. Undergo training regarding safety, federal, and facility policies.
3. Must understand and agree to comply with Missouri Slope's confidentiality and security agreement.
4. Clear background screening.
